THE QUICKPOUCH VERTICAL ACS IS A POWERFUL INNOVATION IN AUTOMATED PACKAGING FOR YOUR MEDICAL, IVD, AND PHARMACEUTICAL PRODUCTS

The second generation QuickPouch Vertical ACS is the next step in evolution for compact, validatable form / fill / seal equipment for the medical device, pharmaceutical, and IVD industries. Like the standard QuickPouch Vertical, the Vertical ACS forms pouches from rollstock, providing significant labor and material cost savings.

The Vertical ACS includes a suite of premium standard features like separate pneumatic and electric control panels, Allen Bradley PLC with color touchscreen HMI, anodized CNC machined aluminum frame, improved operator safety guarding, password protected recipe storage, validation ports, leveling casters, single exit exhaust port, and many more.

Options include semi- and fully-automated loading of parts, liquids, powders, and desiccants; fully anodized system components for corrosion resistance, in-line pouch printing, in-line label application, UDI print and inspect vision systems, gas flush and vacuum sealing, upstream and downstream automation integration, ziplock/resealable tape pouches, die cutting/hole punching, perforated strips/rolls of pouches, frangible seals, multi-lane configurations for increased production volumes, and many more. Custom modifications and options are available.

FACTORY SPECIFICATIONS

Allen Bradley PLC
Color operator touch screen
Locking/leveling casters (not shown)
Separate air and power control panels
Password protected recipe storage
Maximum rate of 48 cycles/minute
Dual mode index: eyespot or length
QuickChange hot swappable dies
Automatic loading available
Dual web standard
Single web optional

DIMENSIONS

Width: 60 inches
Height: 50 inches
Depth: 35 inches
Weight: Approx. 250lbs
*Standard ACS. Options may affect overall machine dimensions

POUCH SIZES

ACS
Up to 6 Inches Wide
Up to 9 Inches Long

ACS Plus

Up to 12 Inches Wide
Up to 15 Inches Long

POUCH MATERIALS

Foil laminate
Paper laminate
Polyester laminate
Plastic laminate
Tyvek®
